2008

1 SEP 1944

Enc 1 Est 11/12/44

Office of the Director of Public Health
in Mysore, Bangalore, dated 9-9-1944

The Secretary to Government,
Education Department, Bangalore

Sir,

12 SEP 1944

Sub - A M Estimate of water supply to Nanjangud
for 1944-45 for Rs 12,632/-

I have the honour forward herewith for obtaining
and conveying sanction of Government, the A M Estimate
of Nanjangud Water Works for the year 1944-45 for
Rs 12,632 duly countersigned by the President, Nanjangud
Municipal Council. The entire expenditure over
Rs 4,978 is to be met by Government as per Order No
L 8435-7/ML 110-39-81 dated 24 4 1940

The revised estimate for Rs 11,206 for the year
1943-44 was sanctioned in G.O. No. 12123-5, ML 58-44-2
dated 5-9-1944

I request you to be so good as to obtain and convey
sanction of Government to the A M Estimate of Nan-
jangud water works for 1944-45 for Rs 12,632 and to
a Government grant of Rs 7,654 out of Water Supply
Grant during the current year

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

5) A draft is put up

A 7 charges of the Nanjangud
water works.

From the C E for irrigation

no 2356/s & 16/0/65-

Furnishes the information called for

7) submitted with a note in the
matter. -

22

On April 1940, sanction was
accorded to the transfer of the Nanjangud water
works from the control of the local
municipal council to the Bureau of
Sanitary Engineering and got agreed
to meet the cost of maintenance over
and above what was being incurred
annually by the m. c., from out of the
water supply grant provided in the State
budget every year

8/ According to this sanction,
The Nanjangud Town m. c. is paying a fixed
amount of Rs 4,978/- towards the A &
charges of the local water works and
the balance of the amount of the

estimate is being given out of the water supply grants - both towards original and revised estimates of the A or charges
x M. A statement showing the actual cost of the estimate and the grant given against the same during the date of the above said go upto 1943-4 is put up for perusal

9) The estimate for Rs 12,632 for 44-45 received from the D P H has ~~to be~~ yet to be sanctioned and as usual, a grant of Rs 7,654 being the excess over the mil (prev) provision of Rs 4,978/- has also to be ~~given~~ as per condition laid down in this behalf

10) In the above circumstances, sanction may be accorded to the estimate for 44-45 for Rs 12,632 and the grant provision of Rs 7,654 may also be given, ~~as the current~~ out of the water supply grant for 45-46

11) The portion of continuing the grant,

8423
L

A. 7. charges of the Nanjangud water works

as per promise made ^{in future also} may be considered
after the orders sanctioning the estimate
for 44-45 are issued

14) submit

ma 13) The above schedule shows
19/7/45 the facts of the case in full
under sec 55 (1) of the Mysore

Townships Act 1933, it is the duty
of the Municipal Corporation
water supply to its citizens. The entire
annual maintenance charges of the
supply have to be met by the local body.

Concerned

14) The sum improvement ^{presently} are
meant to be given to the works for
carrying out works of permanent
nature which it would not therefore be
advisable to continue the payment of
the A. 7. charges in respect of Nanjangud
- water supply works for ever, as such
requests from the Municipal Council
cannot easily be resisted

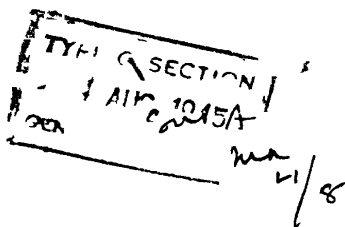

15) It will be seen from the statement
(Page 11) that the amount payable

295/4 A charges of the Nangangud water works.
 as per front to in the in case
 847.11
 every year

16) Pl note the fund provided for the
 rep- for the last 3 years including
 1945-46 call for the Budget estimates
 if not need for the Dec 1945
 from 18.7.45

17) sublt with a letter calling for the budget
 estimates for 45-46

ma 3/8/45 18) J. M. S. 3/8/45

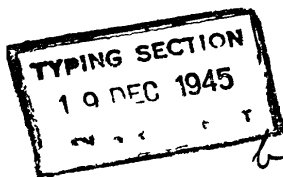

21141 & 15/8/45

From the ~~the~~ from the chief Engineer for 1945

NO 337 & 22-10-45

Reports sanction to an estimate
 for Rs 13,880/- for the A & charges of
 The Nangangud water works for 45-46

19) The estimate for 44-45 has not yet
 been sanctioned information called for in
 this office letter & 15/8/45 is awaited. Ad for
 reminder is put up 20) J. M. S. 18/12/45

Ans A. ma 11/1

ma 18/12/45 5576 & 21-12-45.

From the D.C. type of

as 2 Rs D3 = 585/45 59/1/46

Furnishes the information called for

21) The following information shows the financial position of the Wanganui Town and C for the last three years;

	1942-43	43-44	44-45
	<u>Rs</u>	<u>Rs</u>	<u>Rs</u>
1 Receipts	48,495	47,724	95,438
2 Expenditure	54,957	51,479	90,727

	1942-43	43-44	44-45
	<u>Rs</u>	<u>Rs</u>	<u>Rs</u>
1 Receipts	55,655	57,326	1,16,359
2 Expenditures	54,957	51,479	90,727
3 closing balance	698	5,847	25,632

22) The financial position for the year 45-46 is also very unsatisfactory, as seen from the figures noted in the margin

Receipts	<u>Rs</u>
Exp	<u>61,306</u>
C.B	<u>7,551</u>

23) In this connection, it is submitted that the estimates for the A & charges of the Wanganui Water

Serial
No

water works for the years
1944-45 and 45-46 are pending
sanction

24) The estimate for 44-45 amount
to Rs 12,632 and the ~~est~~ cost
of the estimate for 45-46
is 13,880/-

ff a

25) As per ^x govt & April 1940,
govt have agreed to meet the
cost of maintenance over and
above what was being incurred
annually by the mil cl, from out-
of the water supply grant this was
done while the control of the
local water works was
taken from the management
of the local mil cl

26) According to the condition
laid down in the above-said go,
the ~~total~~ ^{given} a fixed amount of Rs 4,927/-
is being ^{given} by the mil cl and
the excess is being met by the
govt. ^x statement showing the
amount of the estimates & the govt
grant given towards the same
for the last 4 years is put up for
perusal It is seen therefrom
that there is a gradual increase

x R

Serial
No

in the case of the estimates the amount of estimate in the year 40-41 was Rs 7,212 and now it has risen to Rs 13,880/-.

27) In view of the commitment in a de in the ~~land go.~~ govt have to pay a total sum of Rs 16,556 in Rs 8902 for 45-46 and Rs 7,654 ^{45-46 and} for 44-45 against the estimated cost of Rs 13,880 and Rs 12,632 respectively.

28) According to section 55(1) of the T & A Act, 33, it is the obligatory duty of the local authority to provide water supply at the places. Moreover, the T & A and water supply grants are meant to be given to the bodies for taking up new schemes and not for the maintenance of such works.

29) In order to avoid the payment of govt grants in this respect, it is perhaps desirable to retransfer the control of the local water works under the management of the local

Serial
No

A

municipal council from the
Bureau of Sanitary Engineering,
is contemplated in para
3(11) of the go A/P W 5434-39
& 26-3-45. This is being done in
many cases for instance,
the control of the water works
at Shmoga and Kolar has been
transferred under the management
of the local m/c. A few more
proposals in this behalf are before
govt.

so) In the above circumstances,
proposals for notes are:-

1) Sanction to the estimate
for 44-45 for Rs 12,632 towards
the A/P charges of the Vangangund
water works and to a govt.
- ~~sanction~~ grant of Rs 7,654
- out of the W & S grant for 45-46

2) Sanction to the estimate
for the same for 45-46 for
Rs 13,880 and to a govt grant
of Rs 8,902/-

3) 'A' Approval to 'A' referred
to above

Subd with reference to
para 21/2 paras 15 & 16, supra

Serial
No

31) In the year 1940, first took
over the control of the waste supply
works at Mangalore & transferred it
to the Bureau of Sanitary Engineering.
The monthly fund was with the cost
of annual maintenance & labour which
was being incurred annually by the M.C.
was debited to the waste supply fund
& met by the Govt. The M.C. has been
giving only a fixed sum of Rs 4978/- p.a.
The full amount has been given as
first grant during the several years — Rs

1940 — 41 — 2234

1941 — 42 — 2853

1942 — 43 — 4632

1943 — 44 — 5615

1944 — 45 — 7654

1945 — 46 — 8902

Already sanctioned

yet to be sanctioned

It will be seen from the above that

the first grant has quadrupled itself
during the last six years

Although the cost of materials such
as alum & of the accessories has
gone up owing to war conditions,
owing at a loss to accept the
estimated ^{for 1944-45 & 1945-46} which seems to be framed

without reference to the actual expenses incurred

33/ A kind perusal of the
figures given in Step R shows
that the ~~estimate~~ actual outlay
is less than the ~~est~~ estimated expense
and the first part seems to have
been done in excess during
1940-41, 41-42 & 42-43
It has to be ascertained whether this
is so. It was up to the Officers
of the Bureau of Sanitary Engineering to have
seen that the grant in excess of the
amount required was not done.

34/ Under Sec 55(f) of the P.W.D. Act
it is the obligatory duty of the M.L.C.
concerned to provide for sufficient drinking
water to its inhabitants. The annual
maintenance charges have to be met by the
P.W.D. entirely. The arrangement sanctioned
in the case may run as follows. Cannot
be allowed to go on for ever. Hence the
M.L.C. will have to be informed that it
should meet the A.M. charges in full
for 1946-47. In the case of the
M.L.C., there are arrangement charges.

35/ Points for orders:
T 1) The estimate for A.M. charges
for 44-45 amounting to Rs 12632

may be sanctioned, the full
 12,632 - Rs 49787
 7654 being sanctioned
 1945-46 estimate Rs 13,880 for
 difference Rs 8902 - being paid by the full
 out of water works fund 1945-46
 enquiry will be made as to A above
 if the amount in excess has been drawn
 out of fund 1945-46, but the same thing
 the Municipal Engineer informed as at Rs 46

7654
 8902
 14556

- 3) The estimates in respect of 1945-46 for Annual Maintenance charges of Water Works viz the amount of Excess over the sanctioned amount to be paid to the Govt Grants being treated as a surplus with be made as to what is the amount drawn by the Municipal Engineer in excess of the actual due
- 4) The estimates in respect of 1945-46 for Annual Maintenance charges of Water Works viz the amount of Excess over the sanctioned amount to be paid to the Govt Grants being treated as a surplus with be made as to what is the amount drawn by the Municipal Engineer in excess of the actual due
- 32)

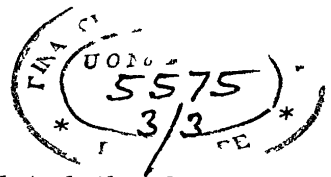

1/25/45
L

Any amount so drawn will have to be refunded on the grant during the current year has to be correspondingly reduced. It is not clear however, why such an overdraft was permitted by the officers concerned or even admitted in Audit.

39) The Manipal Municipal Body - should be told that this 'Spoon feeding' cannot go on indefinitely & at some stage, they should try to fall back on their resources. The grant for 1946-47 may not perhaps be promised.

Minister for Agr
through H. S. S.

L. S.
28/2/46
L. S.

40) I do not know if the Government Order dated the 2nd April 1940 under which the Sanitary Bureau of Engineering took over

4865. A 17 charges - Nanjangud water ^{all charges}

over the cost of maintenance over and above what ^{was} being incurred ^{then by the Municipality} only the same being debited to water supply grant every year has been withdrawn. If it has not been withdrawn, the question of the Nanjangud Municipality paying any extra amount does not arise, because Government have agreed to bear all these extra charges

7L 5575

41) It is on the other hand the Bureau of Sanitary Engineering that should be asked why they did not obtain sanction of Government in time to the excess amounts required. In the alternative, the order of 1940 should be modified and all extra expenditure over the then scale borne in the ratio of 50 50 by the Government and the Municipality.

forwards an interim reply

from the D C Mysore Dist

20. D3-C 10/46-45 dt/18.2.47

forwards further report on the matter

72) The D C Mysore Dist states that the excess amount of Rs 2886/5/7 drawn by the mty during 1940-41 to 1943-44, were not due to any improvements effected, but were due to fluctuations in the price of materials such as, bleaching powder etc, due to war

73) Sndd for perusal with ref to para 64 and orders on para 63 supra

20/2

74) The point - is that, according to the statement furnished, it is seen that the amount drawn from the Govt

Annual maintenance charges of Nanyangud Water House
2155/1381

the above work, during the year 1946-47, Govt directed that the entire cost has to be met by the Nanyangud Town municipality.

70 The municipal council have in their meeting held on 31-7-1947, resolved that the present financial circumstances of the mty is not sound to bear the entire cost of the maintenance charges and the mty cannot make proper water supply arrangements to cater to the needs of the pilgrims who visit the place ^{and} that Govt be requested to contribute their quota as usual towards the maintenance charges.

Flag u / 71 The D C has simply submitted the refce in confirmation of this office letter no D3 110/46-47 dated 24.7.46

Flag k / 72 The request of the mty council, may be negatived, since the mty council has been directed more than once, that the arrangements ordered in G.O. no L 8435-7 / mty 110-39-81/2-440 cannot go on indefinitely in view of the fact that it is the obligatory duty of the mty to meet from out of its funds the recurring expenditure on such works and that they should try to fall back on their resources, as in the case of other mty in the State.

73 Further that the plea of the mty that its financial position is not sound, is not ~~convincing~~ convincing, because it could really improve its position, if the mty make necessary arrangements to recover the heavy arrears.

undertakes

 Sdtd for orders

1381/m

Sdtd 74 The financial position of En. Mal
 cannot for 1947-48 is as under below:-

DB	15,294.
Receipts	74,617
	total 89,911
Exps	80,084
CR	9,830

Sdtd 9/9 75 In G.O. no 2 8435-7 / ML 110-38-30,37 8022
 dated 2.4.40, sanction was accorded to
 the transfer of the Mangalore water supply works
 to the Bureau of Sanitary Engineering, the cost of
 maintenance was to be borne by the water supply
 which is being debited to the
 water supply grant every year according to
 this order. The Mangalore Municipality has been
 paying a sum of Rs 497/- p.a. as its share
 towards the maintenance charges for the water supply
 being met by the Govt.
 76 The following amounts were sanctioned by the Govt.
 out of water supply funds for the several years stated
 below:-

1940-41	2234.
1941-42	2853
1942-43	4632
1943-44	5615
1944-45	7654
1945-46	8902
1946-47	

27 During the year 1946-47, the annual maintenance charges were estimated at Rs 16,885 and the estimate was sanctioned in the P.W. Section and it was directed that the entire cost be met by the Govt. of Madras.

28 In this price letter no 213977 D 18646, the P.W. Department has reported to inform the Government that the arrangement made to effect the arrangement sanctioned in the Govt. order 2440 cannot go on indefinitely, as it is the responsibility of the Govt. to meet the expenditure of the P.W. Department. The Government should try to find out other resources or in the case of the P.W. Department in the State other the Govt. may be advised to make necessary provision in the P.W. Budget for 1947-48 onwards.

In the year 1946-47, the maintenance estimate comes up to Rs 16,885. The P.W. Department have resolved that the Govt. may be pleased to continue their part of the cost of the total annual maintenance as in the past years, in view of the scarce resources of the Govt. to meet the heavy cost in the coming conditions and the impossibility of increasing the cost of the Govt. part. It is suggested that the Govt. may be pleased to continue their part of the cost of the total annual maintenance as in the past years, in view of the scarce resources of the Govt. to meet the heavy cost in the coming conditions and the impossibility of increasing the cost of the Govt. part.

at any time that the Govt would meet $\frac{2}{3}$ of the cost of the maintenance as stated in the Dec 1 letter. The liability of the Govt was limited to Rs 49787 every year, the balance whatever it might be was met by the Govt. This amount has gone on increasing from year to year as will be clear from the above figures owing to the increase in the cost of labour & other materials ^{partly due to Govt} due to Govt.

71) This is the only mlt ^{been} in the State affecting public health & contributing in this manner towards the maintenance costs;

87) It is true that the financial condition of the Municipal Council is not satisfactory

(vide report of 24/1/1907)
81) Under the Townships Act, it is the duty of the Council to provide for the supply of water to its inhabitants. If the request is coupled with Rs 47-100, the Govt would have to pay ^{grant} of (16,885 - 49787) or 11,907 out of the water supply fund during the year. The request is for order.

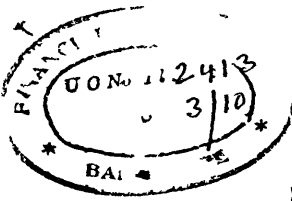

82) Govt is under no obligation to pay this grant of Rs 11,907 out of water supply grants this year also, but the financial position of the Municipality appears to be so weak that it is a point for consideration whether the Govt should ^{not} see for ^{28/9/1907}

Minister
Rev & Com's
Thro fin? Secy

8
2/10/47
from
3/11/47

83) In 1931-32, for the first time in the State, a munici-
pality - Saklaspur - reported before the end of
the year to the D C Hassan, that it had collected
its entire demand, both arrears and current, within
the 27th of June. That Municipality has since then
been keeping up that fine tradition.

84) In 36-37 another Municipality - this
time Chikballapur - collected 99% of its entire de-
mand both arrears and current.

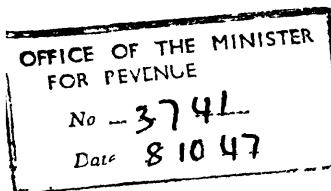

85) I believe Hoppa too collected during
some year in the thirties its entire demand.

86) Assistance to such municipalities is de-
served and would be an incentive to slackers to
do better work.

87) The Nanyangud municipality has a huge
arrears, amounting to about $2\frac{1}{2}$ times the charity
they ask of the govt. They may be told to collect their
arrears and pay for their water. That they have been
spoon fed so long is itself incorrect.

88) There is no reason why govt should pay
this local body anything, when, if it wants, it can
collect $2\frac{1}{2}$ times the amount, rightfully due to it
from those who use this water. The citizens ap-
pear to be as little anxious to pay as the Munici-
pality is to collect.

89) By this refusal both perhaps may be
awakened to their duties.

90) 8 4/10/47
2/11/47
18/11/47

91) The Municipalities shared no doubt be asked to receive it due with greater vigour & improve its financial position. But the point for consideration is whether it would be fair to ask the Municipalities to meet the entire cost of water supply, when a good quantity of water is consumed by the pilgrims from outside, who visit the place. The no. of such pilgrims is very large & would it not be equitable to give a grant of half the cost by Govt, seeing that the Municipalities derive no income from the pilgrim visitors, after the abolition of the pilgrim tax. The Dy. Commr. will kindly note his remarks in this aspect of the question.

- 97) Pilgrims who come to this place buy coconuts and
betel leaves, for purposes of worship. The income
from both the sources is about 3000/- This is a kind
of tax the pilgrims pay whether there is any leakage
in this revenue, or whether all that should be collected
are now being collected, need not now be considered.

If pilgrims use water, they pay, though
not the pilgrim tax, octroi on almost every article
they have to buy there. I do not know why Arecanut
is exempt from octroi.

Hence there is no ground to be unduly
generous to this municipality. If it collects its ar-
rears and honestly collects its annual dues it need
not beg for charity.

The request here, in fairness to
other municipalities, to be turned down.

Subject - Grant of Rs 613/- towards the Revised Annual
Maintenance estimate of Nanjangud Water works for 43-44

Adverting to G O No 2579-82/11 58-43-6 dated 26th August 1943
sanctioning the estimate for Rs 10,593 for the annual maintenance
of the Nanjangud Water Works for the year 1943-44, I have the honour
to state that the estimate had to be revised to Rs 11,206 resulting in
an excess of Rs 613/- owing to use of power for higher capacity motor
13.5 H.P. against 8 H.P. motor used during the previous year viz
1942-43, and also owing to higher rates for alum. The revised
estimate will be sanctioned by this office on receipt of sanction of
Government to the excess Grant of Rs 613/-, as the excess is within
of the original A.M. Estimate

The entire expenditure over Rs 4978 is to be met by Government
as per Order No L 8435-7/11 110-39-81 dated 2nd April 1940. Hence
the present excess over the original A.M. estimate has also to be
borne by Government

I therefore request you to be so good as to obtain and convey
sanction of Government to the grant of a sum of Rs 613/- out of the
later supply Grants during the current year

A copy of the countersigned revised estimate is enclosed for the
information of Government

As per go d 2/4/1940 (fly),
Any excess over the original

Mysore District

Sir,

In inviting reference to Government Order No L.8434-7/M1 110-39-81 dated 2nd April 1940 sanctioning the payment of the excess in respect of maintenance of the Nanjangud Water Works over and above what was being incurred annually at the time, the same being debited to the "Water Supply Grants" every year, I am directed to state that the Nanjangud Town Municipal Council may be informed that this arrangement cannot go on indefinitely in view of the fact that it is the obligatory duty of the Municipality to meet from out of its funds the recurring expenditure on such works and that they should try to fall back on their resources, as in the case of other Municipalities in the State

The Municipal Council may, therefore, be advised to make necessary provision in the budget estimates of the Municipality from the year 1946-47 onwards to meet the entire expenditure in this behalf.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Government,
Revenue Department

tvr.2

No D3 110/46-47

24 7 46
Office of the Deputy Commissioner
Mysore District
Mysore dated the 24th July 1946

From

C M H Ranajodha Singh, Esq , B A ,
Deputy Commissioner,
Mysore District

To

J B Mallaradhya, Esq , M A ,
Secretary to Government of Mysore
Revenue Department, Bangalore

Sir,
Subject - Full cost of water works maintenance
charges to be met by the Nanjangud
Municipality from 1946-47 and onwards

27/7
27/7 ms
I have the honour to forward herewith, a copy of letter
No H C 82/46 dated 10-7-1946 received from the President,
Town Municipal Council, Nanjangud on the above subject, and
to state that the entire cost of maintenance comes to about
Rs 13,000/- annually and under the existing arrangements the
Municipality has to bear 1/3 of the cost, the remaining 2/3
being met by Government

According to your letter No L 13977 dated 15-6-1946, the
Council had been advised to make full provision in the Budget
estimates of the Municipality from the year 1946-47 onwards, to
meet the entire expenditure. As the Budget estimate had in
the meanwhile been sent to this office, (Rs 13,880) full pro-
vision has been made under water supply while passing the
estimates on the basis of revised estimate of the previous
year in the absence of actual cost, and as the concluding para
of my review on the Budget estimate submitted will show that this
has considerably affected the financial position of the Muni-
cipality, the closing balance anticipated being far below the
prescribed minimum balance for this reason

The Council have resolved at their meeting held on 28-6-46
that it is impossible to meet the entire cost at present and
have urged that the present arrangement might be continued,
until the financial resources of the Municipality is improved

p t o

I recommend, therefore, that the resolution of the Council may be favourably considered as it is a fact that they are not in a position to meet the entire cost at present

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Mysore District

Copy of No H C 82/46 dated 10-7-46 from the President, Town Municipal Council, Nanjanur to the Deputy Commissioner, Mysore District, Mysore

With reference to your memo No D S C 110/46 of 25-6-46 enclosing a copy of the letter from the Revenue Secretary, directing this Municipality to provide for the water works maintenance from the year onwards in the current year's budget estimate, I have the honour to state that it has been represented more than once by this Municipality that it is not possible for this Municipality to bear the entire cost of the water supply maintenance cost of this town which comes up to about Rs 13000/- annually. Under the present arrangements the Municipality is bearing 1/3 of the total cost and the remaining 2/3 of the total cost is being met by the Government as water supply grant.

It has been resolved by the council as long back as 26-4-45 that it is not possible for this Municipality to bear the entire cost of the water supply maintenance and thus the Government was requested to continue the existing arrangements of water supply to the town through the Sanitary Bureau.

The Budget estimate for the year 46-47 has already been submitted to Government for kind sanction on 21-5-46. Moreover, after making provisions for all the probable expenditure during the current year in the budget estimate, there is a bare margin amount left over to maintain the prescribed closing balance of this Municipality.

When the matter was placed before the Council for consideration on 23-6-46 it was resolved that it was impossible to meet the entire cost of the water supply maintenance by this Municipality at present, as directed by the Government, and that the Government may be requested through you to continue the present arrangement till the financial resources of this Municipality improve.

Under these circumstances, I request you to kindly recommend to Government to meet 2/3 of the annual maintenance cost out of water supply grants.

Copy of the resolution is enclosed as a herewith for kind perusal.

Deputy Commissioner
Mysore District

Sir,

Re: Maintenance charges on account of
water supply to Varanasi Town

In continuation of this office letter No D3 C 110 of 46 dated 13/24-7-1946 recommending the resolution of the Council dated 23-6-1946 to continue the existing arrangement to pay $\frac{2}{3}$ quota by Government, until the finances of the Municipality improved, I have the honour to forward herewith another report No H C 32 of 46-47 dated 28th November 1946 received from the President, Town Municipal Council, Varanasi urging for the same being considered favourably.

It may be recalled that this request is made in view of the Revenue Secretary's Letter No L 13977 dated 10th June 1946 stating that the Town Municipal Council may be informed that the existing arrangement cannot go on indefinitely as it is their obligatory duty to meet the cost out of their funds &c, and that they should be advised to make necessary provision in the budget estimates from 1946-47 onwards to meet expenditure on this behalf.

Sir

Sub -Maintenance of Water Supply at Nanjangud.

Adverting to your letter No D3-110/46-47 dated 24th July 1946 ~~do~~ on the above subject, I have the honour to state that a sum of Rs 4626-10-8 being the fixed quota payable by the Municipal Council towards the maintenance of water supply at Nanjangud, has already been drawn and credited to the Sanitary Engineer, Bangalore. The Municipal Council, as fully explained ~~explained~~ in this Office letter of even number dated 10-7-46, is not in a position to bear the entire cost of maintenance, in view of the adverse financial position of the Municipality at present. I, therefore, request you to kindly recommend to Government to meet 2/3rds of the annual maintenance charges out of water supply grants as was being done in previous years.

I have the honour to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council,

Subject - Refund of excess amount drawn by the Nanjangud Municipality towards Government grants for annual maintenance of water works at Nanjangud during 1940-41 to 1943-44

In continuation of this office letter No D3-C 10/45-46 dated 28th January 1947 on the above subject, I have the honour to state that it is reported by the President that the increased charges on account of maintenance during the year under reference were not due to any improvement effected by the Sanitary Department to the water works but were due to fluctuations in the price of material such as, bleaching powder etc, due to war. The excess charges drawn are therefore towards annual maintenance and the municipal quota thereof being fixed at Rs 4978/- the excess charges have been drawn in the shape of Government grants during the years under reference. In these circumstances the President states that no question of refund of excess charges to Government arises. The report No H C 82/45-46 dated 1-2-47 received from the President is also enclosed.

Report No H C 82/45-46 dated 26-12-46 from the President,
Town Municipal Council, Nanjangud to the Deputy Commissioner,
Mysore District

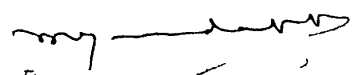

Subject - Annual Maintenance charges of water supply
at Nanjangud

 Referring to your Memo No D3-110/46-47 dated 26-11-46 forwarding a copy of letter No L 6035/4/14-11-46 from the Secretary to Government, Revenue Department, Bangalore in the matter of arranging for the refund of the amount drawn in excess of the amount actually due towards the Government grant during the years 1940-41, 41-42 and 42-43 to the extent of Rs 2548-10-4, I have the honour to state that as per G O No L.8435/ML 110-39-81 dated 2-4-1940 the Municipal quota towards the maintenance of the local water works is constant viz , Rs 4978/- and the same is not subject to variation irrespective of whether the estimate is revised or not. The cost of maintenance over and above what was being incurred by the Municipal Council was ~~existing~~ agreed to be met by the Government. The Municipal Council was creating a sum of Rs 4978/- being its quota towards the annual maintenance charges, every year since 1940-41 and the balance of the maintenance charges incurred thereof every year since then, was being drawn as Government grant for account to the Sanitary ~~Department~~ Department. As such, the action taken by the Municipal Council in drawing the Government grants towards the annual maintenance charges for the year from 1940-41 to 1942-43, as referred to by the Government in their letter under advertisement is in order and in accordance with the G O referred to above. Under these circumstances there arises no question of refunding the sum of Rs 2548-10-0 said to have been drawn in excess.

As already explained in this office letter of even No dated 10-7-46 and 9-11-46 the present financial circumstances of this Municipality is such that it is not in a position to bear the entire cost of the maintenance of the water supply at Nanjangud.

Under the above circumstances, I request that a recommendation may kindly be made to the Government to meet the balance of maintenance charges over and above the fixed Municipal quota of Rs 4978/- as was being done in previous years until the financial position of the Municipality improves.

Sir,

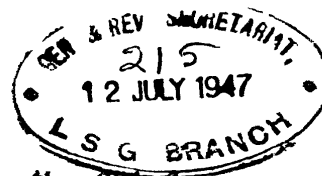

With ref to your letter no D3-C
10/46 45 dated 10 2 47 on the above
subject, stating that since the increased
charges were due to fluctuations in the
price of materials, there is no question
of refund of excess charges to Govt,
I am ^{directly} to observe that, according
to the statement furnished, it is seen
that the amount drawn from the
Govt during the years 40 41, 42 43
and 42-43 is more than the amount
required to make up the actual
outlay on the maintenance of water

works during these years including
the charges paid by the municipality.
which is a fixed amount. I am
therefore directed to enquire if this
is not so and if so, whether the amount
drawn in excess from the Govt should
not be refunded

for Secy

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

No. *L 412/mk. 133-47-2* ^{General and Revenue Secretariat,} Dated Bangalore *28/2* 1948.

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore,
Revenue Department.

To

The Deputy Commissioner,
Mysore District, Mysore.

Sir,

With reference to the correspondence ending with your letter No.L.Dis.C.2233/47-48 dated 26th November 1947, regarding the proposal that the Government should meet a portion of the cost towards the Annual Maintenance charges of the water supply at Nanjangud, I am directed to state that the entire cost has to be met by the Municipal Council as already ordered and that Government do not consider it necessary to make any grant to the Municipality in this behalf out of the State funds.

I am to add that the Nanjangud Town Municipal Council may kindly be instructed to collect all the arrears of taxes legitimately due to it and to find ways and means of increasing its sources of revenue in order to be able to meet its legitimate expenditure itself without thinking always of extraneous sources of assistance.

I have the honour to be,
Sir,
Your most obedient servant,
Sd. Syed Abdul Aleem.

Secretary to Government,
Revenue Department.

MEMO No. *L 14113* Bangalore dated, *28/2/48* 1948.
